This does not apply to displaced persons seeking remission of the fee vide paragraph 8 below.

(ii) A Certificate of Age—The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University, which extract must be certified by the proper authority of the University. The expression Matriculation Certificate in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission in original with a copy thereof, together with the application.

Sometimes the Matriculation Certificate only shows the age by completed years or completed years and months. In such cases the candidate must send in addition to the Matriculation Certificate an original certificate together with a copy thereof from the Headmaster of the High School from where he matriculated showing the date of his birth or his exact age as recorded in the school admission register. An Anglo-Indian or an Indian Christian, may send his original baptismal or birth registration certificate together with a copy thereof instead of the headmaster's certificate.

If the Matriculation or equivalent certificate has not been issued to a candidate he should submit along with his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation or equivalent examination. Such a candidate will be required to submit his original Matriculation or equivalent certificate before he is admitted to the National Defence Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation or equivalent certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. Further, they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected (Vide Note 4 below).

**NOTE 1.**—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

**NOTE 2.**—A transfer certificate from a school or college will not be accepted as evidence of age.

**NOTE 3.**—The Age and Nationality Certificate issued by some State authorities is not required.

**NOTE 4.**—Ordinarily, the Commission do not accept a date of birth other than that proved or supported by the Matriculation Certificate. If they do so, they require not only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination/Selection no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate, must do so at the first opportunity. In such cases, a candidate must send direct to the Union Public Service Commission all the evidence on which he bases his claim, together with his application.

The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

**NOTE 1.**—Candidates who have appeared at an examination the passing of which would render them eligible to appear at this examination but have not been informed of the result, may apply for admission to the examination. Candidates who intend to appear at such a qualifying examination may also apply. Their application will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case before they join the National Defence Academy, if finally selected.

The originals of the certificates forwarded in accordance with paragraphs 5 (ii) & (iii) will be returned when the result of the application is communicated. **CANDIDATES ARE ADVISED TO KEEP ATTESTED COPIES OF THEIR CERTIFICATES BEFORE SUBMITTING THEM TO THE COMMISSION. If a candidate has already submitted the certificates required in paragraphs 5 (ii) and (iii) above in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him, he should mention the fact when submitting his application, and if possible enclose a copy of each certificate. If the certificates are not with the Commission, they should be sent with the application, irrespective of whether the candidate appeared at a previous examination conducted by the

#### PHYSICAL STANDARDS FOR ADMISSION TO NATIONAL DEFENCE ACADEMY (JOINT SERVICES WING)

##### ARMY

To be passed as fit for a commission in the Regular Army a candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of military duty.

The minimum acceptable height for a candidate is 62 inches, except in the case of Gorkha, Nepalese, Assamese and Garhwali candidates in whose cases the height in co-relation table may be reduced by 2".

The co-relation of age, height, chest girth and weight will not be less than those given in the following table:—

Age last birthday	Height without shoes	Chest		Weight	
		Girth when fully expanded	Range of expansion not less than	Minimum	Maximum
Year 17 to 18	Inches	Inches	Inches	lbs.	lbs.
	62 and under 65	33	2	96	121

	68 and under 72	34	2	116	141
	72 and upwards	34	2	126	..

The standards for height, chest and weight measurements may be relaxed at the discretion of the Medical Board keeping in view the age of the candidate.

**NOTES (1).**—The candidate's height will be measured as follows:—

He will be placed against standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard, the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters.

(2) The candidate's chest will be measured as follows:—

He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the interior angles of the shoulder-blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times and the maximum expansion of the chest will be carefully noted.

The minimum and maximum will then be recorded

23 34

thus in inches,—, —, etc.  
35 36

In recording the measurements, fractions of less than half an inch should not be noted.

(3) The candidate will also be weighed, and his weight recorded in pounds. Fractions of a pound should not be noted.

(4) The visual acuity of every candidate will be assessed under one of the three standards detailed below: standard III represents the minimum consonant with fitness for acceptance. The examination for determining the acuteness of vision includes two tests; one for distant the other for near vision. The Army test types will be used for the test for distant vision, without glasses at distance of 20 feet, and for the test for near vision without glasses at any distance selected by the candidate.

#### STANDARD I

Right eye	Left eye
Distant vision—V6/6	V6/6.
Near vision—Reads 0.6.	Reads 0.6

#### STANDARD II

Better eye	Worse eye
Distant vision—V6/6.	V, without glasses—not below 6/60 and after correction with glasses—not below 6/24.
Near vision—Reads 0.6.	Reads 1.

#### STANDARD III

Better eye	Worse eye
Distant vision—V, without glasses not below 6/60, and after correction with glasses not below 6/6.	V, without glasses—not below 6/60 and after correction with glasses—not below 6/24.
Near vision—Reads 0.8.	Reads 1.

Each eye must have a full field of vision as tested by hand movements.

Squint or any morbid condition of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence will cause rejection of the candidate.

Unresolved trachoma or trachoma with complications will be a cause for rejection.

Each eye will be examined separately and the lids kept wide open during the test.

Inability to distinguish the principal colours will not be regarded as cause for rejection but the fact will be noted in the proceedings and the candidate informed.

The degree of acuteness of vision of all candidates for Commission will be entered in the proceedings in the following manner:—

V.R.....with glasses.....  
Reads.....
